INDEPENDENT AUDITOR'S REPORT

Board of Directors
350 Bleecker Street Apartment Corp.

We have audited the accompanying balance sheets of 350 Bleecker Street Apartment Corp. (A Cooperative Housing Corporation) as of December 31, 1989 and 1988, and the related statements of operations and accumulated deficit and cash flows for the years then ended. These financial statements are the responsibility of the corporations management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in the note 1 to these financial statements, the Corporation's policy is to prepare its financial statements on the same accounting basis used for income tax purposes. Consequently, revenues and the related assets are recognized when received rather than when earned, and expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of 350 Bleecker Street Apartment Corp. (A Cooperative Housing Corporation) as of December 31, 1989 and 1988, and the results of its operations for the years then ended in conformity with generally accepted accounting principles.

Board of Directors
350 Bleecker Street Apartment Corp.

Our examination was made for the purpose of forming an opinion on the basic financial statements of 330 Bleecker Street Apartment Corp. (A Cooperative Housing Corporation) for the years ended December 31, 1989 and 1988 taken as a whole. The supplementary information contained herein is presented for purposes of additional analysis and is not a required part of the basic financial statements. 350 BLEECKER STREET APARTMENT CORP.
(A COOPERATIVE HOUSING CORPORATION)

NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies:

Organization:

The Corporation was incorporated in 1981, under the laws of the state of New York and qualifies under the Internal Revenue Code section 216 (b) (1) as a Cooperative Housing Corporation. The Corporation authorized 17,202 shares of \$1 par common stock, which are issued and outstanding. On August 1, 1980 the Corporation purchased from the sponsor, Bleecker Charles Company, the apartment complex at 350 Bleecker Street and commenced its business as a Cooperative Housing Corporation. The Corporation owns the six story building located at 350 Bleecker Street, New York and consists of 137 residential apartments, two commercial stores and a garage.

Basis of Presentation

The accompanying financial statements have been prepared on the same basis as the Corporation files its federal income tax return. Accordingly, revenues and related assets are recognized when received rather than when earned, and expenses are recognized when paid rather than when the obligation is incurred.

Property and Depreciation:

Land and building improvements are stated at cost. The cost allocated to the building and building improvements made during 1986 will be recovered over a 19 year period using the Accelerated Cost Recovery System method of depreciation. Improvements made during 1989 and 1988 will be recovered over a 27 1/2 year period using the Modified Accelerated Cost Recover System method of deprecation.

Revenue:

Residential maintenance is based on an annual budget determined by the Board of Directors. Commercial revenues are based upon existing lease agreements. Shareholders are billed monthly for proprietary maintenance based on their respective stock holdings. The Corporation retains excess operating funds in short term liquid investments.

NOTES TO FINANCIAL STATEMENTS

2. Mortgage Obligation:

The present mortgage, held by the Development Bank of Singapore Ltd. is for \$3,000,000 for a period of ten years with interest only at an interest rate of 9.75% per annum, requiring monthly payments of \$24,375 with no amortization or real estate escrow.

At the closing of the cooperative conversion the Corporation's property was subject to a mortgage held by the sponsor of the cooperative conversion, Bleecker Charles Company (A Partnership). This mortgage, which was refinanced as indicated above, was for \$3,000,000. The mortgage was wrapped around a first mortgage held by Emigrant Savings Bank. The Corporation made monthly payments of interest only of \$25,000 (10% per annum). No amortization was included or required in the monthly payments of \$25,000.

3. Legal Fees:

\$13,398 of legal fees incurred during 1988 were paid to Schwartz and Weiss, P.C. for their services in petitioning the City of New York certiorari for review of the assessed valuation of the Corporation's real property. This petition and subsequent review resulted in a reduction of the property assessment which has produced and will continue to produce real estate tax savings to the Corporation.

4. Future Major Repairs and Replacements:

The Corporation intends to use the funds currently invested in a Certificate of Deposit to defray the costs of any future major repairs and replacements.

5. Transaction with Related Parties:

The Corporation has a management agreement with a managing agent whose principal is the general partner of Bleecker Charles Company, the coop's sponsor.

NOTES TO FINANCIAL STATEMENTS

6. Federal Income Taxes:

The Internal Revenue Service has taken the position that real estate cooperatives are subject to Section 277 of the Internal Revenue Code.

Section 277 of the Code provides that a membership organization that is operated to provide services to members is permitted to deduct expenses attributable to the furnishing of services to the members only to the extent of the income derived during such year from its members. Section 277 permits a membership organization to reduce income from non-membership sources only by expenses incurred in generating this income. Accordingly, income from non-membership sources such as interest, commercial rental, professional apartment rental, etc., in excess of expenses properly attributable thereto may be subject to federal tax.

Income tax liability that may result from the above is not reflected in the attached financial statements. If the position of the Internal Revenue Service is sustained by the courts, such liability will be reflected in future financial statements.

7. Master Commercial Lease Provisions:

Under the terms of the Master Commercial Lease, a percentage of the increase in real estate taxes and specified overhead costs allocable to the commercial space will be paid to the Cooperative as additional rent. At December 31, 1988 the amount due to the Cooperative from this provision was \$22,551. This amount was paid in 1988. At December 31, 1988 the amount due to the Cooperative under this provision was \$22,650.

8. Mortgage Interest and Real Estate Taxes:

During the calendar years ended December 31, 1989 and 1988 the Corporation incurred mortgage interest expense and real estate taxes which were passed through to the shareholders as personal income tax deductions. The applicable per share amounts were \$15.4089 and \$15.4097 for mortgage interest and \$14.1787 and \$14.8551 for real estate taxes, respectively. These amounts represent per share deductions for shareholders who were shareholders of the Corporation for the entire year. Part-year shareholders are entitled only to pro-rate shares of the deductions. Further reduction of these amounts should be made for any unpaid maintenance on a pro-rated basis.

(A COOPERATIVE HOUSING CORPORATION)

NOTES TO FINANCIAL STATEMENTS

9. Special Assesments:

During 1989, the Board of Directors authorized a special assessment of \$1.25 per share per month for a period of six months, beginning in August. Shareholders were given the option of making a one time payment of \$7.50 in August. The proceeds were to provide for improvements. This special assessment increases each individual shareholder's basis in the Cooperative's stock and does not result in any additional interest or real estate tax deductions.
